

THE ORIGINS OF THE COLD WAR INTERACTIVE

A SOVIET ANTI-AMERICAN POSTER

A Soviet propaganda poster. A European worker rejects the American capitalist, who offers gifts of food [Marshall Aid] and the "North Atlantic Pact" [i.e. NATO], which is hiding a rifle. The poster is intended to convince the Soviet people that European working class people are protesting against US 'dollar imperialism' and expansion.

TASK

How accurate is this Soviet view of America's intentions in Europe?
