

Famous Victorians

**Elizabeth Garrett
Anderson**
1836-1917

She was the first
woman to become
a doctor.

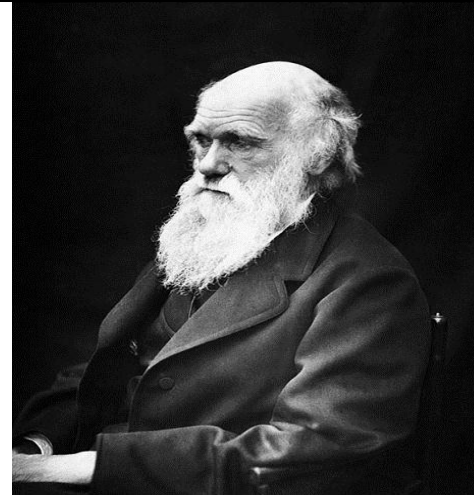

**Robert Louis
Stevenson**
1850-1894

He wrote one of
the most popular
children's books,
Treasure Island.

**Isambard
Kingdom Brunel**
1805-1859

A famous engineer
who designed
bridges, tunnels
and steam ships.

Charles Darwin
1809-1882

His theory of
evolution said that
man evolved from
apes. This shocked
many Victorians.
