

# Victoria Cross

The Victoria Cross (VC) is the highest military medal awarded to soldiers in the British army who do something very brave in war time. It was introduced in 1859 by Queen Victoria.

***Design your own Victory Cross for excellent work or good behaviour.***

**You will need:-**

- Card
- Red ribbon
- Crayons
- Scissors
- String or thread

**How to make your Victoria Cross**

1. Copy the cross outline onto card. Add decoration and pictures of the things you have done well.
  2. Write in the circle what your medal has been awarded for.
  3. Make a small hole in the medal and the V of the bar and connect them with string or thread.
  4. Make a slit in the bar for the ribbon to go through.
- Wear your Victoria Cross with pride.
