

Objectives Section 6

History at key stage 2

What can we find out about ancient Egypt from what has survived?

Section 6: How were the pyramids constructed and for what purpose?

Lesson Objectives	Learning Outcomes
<ul style="list-style-type: none">• To realize that pyramids were tombs for pharaohs.• To understand how and from what the pyramids were constructed.• To make inferences and deductions from objects and pictures from Tutankhamen's tomb.	<ul style="list-style-type: none">• Children will know what pyramids were for and be able to describe the Pyramids at Giza and the Sphinx.• Children will write a newspaper account about finding Tutankhamen's tomb.

Additional notes:

The picture activity is designed to draw together the information the children have acquired. The teacher may need to model answers for the pictures from the Tutankhamen's activity with the children before they begin to work on their own by giving the children some 'sentence-starters'.
