# KEY STAGE 3 RESOURCES

## The English Civil War Interactive

One of our popular interactive Key Stage 3 resources. This unit explores the reigns of James I and Charles I and explains how the Civil War started and what it was all about. It describes how the battles were fought between the Roundheads and the Cavaliers, the role of Oliver Cromwell and the events leading up to the execution of Charles I. Was England better off under Cromwell's Protectorate?

## The Transatlantic Slave Trade Pack contains two resources:-

### 1. Transatlantic Slave Trade Complete Lessons and Activities

Ten complete lessons, 109 pages, which mainly focus on Britain's role in the slave trade. Each of the ten lessons come with clear lesson objectives, learning outcomes, starter and plenary activities and 3 sequenced lesson activities. These lesson activities are varied and are designed to engage, challenge and provoke discussion of this very sensitive issue.

### 2. Transatlantic Slave Trade Interactive

Includes 42 PowerPoint slides and 14 page differentiated work booklet. This is a fully interactive PowerPoint presentation. The material is presented in an attractive and lively manner with text, images, audio, internet links, advanced materials to stretch and challenge, keywords, interactive maps, homework tasks and self-marking tests.
